September 14, 2020

Dear Falcon Family:

Welcome back!

With a few weeks of the 2020 - 2021 school year under our belt, I want to take this opportunity to thank you for your patience and understanding as we navigate through the re-opening guidelines and measures.

We understand your anxiety about sending your children into the building, so we made sure that our plan incorporated multiple cleaning measures. We recognize your concern about the level of education that we can provide during this hybrid schedule which is the reason for our commitment to synchronous instruction in which all students, regardless of the day, receive live instruction. And we acknowledge your frustration with the new traffic pattern on campus but know that you appreciate how much safer our parking lot has become for students, staff and drivers.

We will continue to keep you informed of any educational changes as they present themselves to us. Please continue to do your part to help keep our school community healthy and safe.

Respectfully,

Andrew F. Teeple
Superintendent
