Need technology help?

- Come to the Media Center we are located in the bottom floor
- Submit a tech ticket online:
    - Visit www.monmouthregional.net
    - Hover over Families and Students
    - Click on Remote support ticket
- Email from MRHS Google Account: techhelp@mrhs.incidentiq.com
- Do not email any of the technology staff directly as the email will not be answered

If you need help with Genesis Parent portal please go to the guidance office or have your parents call – 732-542-1170 x1101 during school hours only!

You will need your school issued ID to check-in to various offices in the building and also scanned for your lunch access.

Please make sure you keep your password private, you are responsible for any illegal activity that happens on your account. If student work is shared that shouldn't be you may be charged with a cheating violation.

Your device and ID will be issued during Home Room on 1st day of school!
