Happy New Year Falcon Family,

I hope that this letter finds you and your family well. This letter is being sent to let you know of some important upcoming dates. From January 19th through February 2nd your child will have access to the student/parent portal for course selection. At this time you will also see the recommended courses for next year by your child's teacher. Please choose three elective choices as the first/second choice is not always able to be scheduled. You can find our 2021-2022 course description book [here](#) and also on the Guidance website. Please make sure you have access to the Genesis parent portal. If you do not have access, or have forgotten your password, please reach out to Janice Ciancio in the guidance office at jciancio@monmouthregional.net.

On Wednesday, February 3rd counselors will begin meeting with their students to review all course requests, by appointment only. Appointments can be made through the student/parent portal by selecting "conference" at the top of your student page. If your child is virtual, they will be meeting virtually with their counselor during the selected time. Meetings will run through February 19th.

Please select courses carefully. Every effort will be made to grant requests. However, availability of courses cannot be guaranteed as they are based on class enrollments, frequency of offering, staff availability, and fulfillment of required course requirements.

If you have any questions, please contact your child's counselor.

Be well,

Amy Kelly

Amy Kelly
Director of Guidance/Health Services
