

Anatomy 22-23 Summer Work

You will be using the interactive web-based program Gizmos for your summer work. There are 5 modules that you must complete before returning to school in September. As you work through each module you will be reviewing Biology concepts that are important to Anatomy. Each one of these modules will count as a grade for the first marking period so do your best.

- Step 1: Go to <https://www.explorelearning.com>
- Step 2: Click on the “Enroll in a Class” button in the upper right-hand corner of the web page.
- Step 3: Type in the class code: **RPJPRQ**
 - Click “Continue” and follow the directions on the site to complete your enrollment.
 - If you already have a Gizmo account you can use your old login
 - Or create a new account, be sure to save the username and password that you create.

Once in you must complete the 5 modules before returning to school in September 2022. Take your time as these will count as graded assignments for the 1st marking period.

- Osmosis
- Diffusion
- Enzymes
- Protein Synthesis
- Cellular Respiration

Any problems or questions please reach out to Mrs. Famelio cfamelio@monmouthregional.net
