

MONMOUTH REGIONAL HIGH SCHOOL

GEOMETRY

2023 summer Assignment

Each incoming Geometry student is expected to complete following topic on our IXL site:
<https://www.ixl.com/signin/monmouthhs>.

Students must log in using their school google account. If you have any questions regarding your IXL account please contact the Math Supervisor, Dr. Wardell, at twardell@monmouthregional.net.

**** AFTER LOGGING IN TO IXL :**

Click **Learning**, then find and open the **Algebra 1 Tab**, please complete:

C. Solve Linear Equations

13 Solve Linear Equations: Complete the Solution

Students are expected to get the skill above up to a smart score of 100. If you get stuck, please use the “**Learn with an Example**” or “**Watch a Tutorial**” buttons at the top of the page.

**THE SMART SCORE EARNED BY THE FIRST DAY OF SCHOOL WILL BE
WORTH ONE TEST GRADE OUT OF 100 POINTS**

**** NO CREDIT WILL BE GIVEN FOR LATE IXL SUBMISSIONS ****
