Dear Falcon Family:

The CoVid-19 Pandemic has changed our everyday routine. The purpose of this letter is to inform you of the changes when your child rides the bus to/from Monmouth Regional High School. These procedures are in effect until further notice:

- All students must wear a mask while riding the bus
- All students must sit in designated marked seats on the bus.
- Siblings/family members must sit together.
- All rules of bus safety still apply
- No more than 32 students will be on a vehicle at one time.

These revised procedures are for everyone's safety. We ask for your patience while our drivers make sure everyone is transported to and from school in a safe and timely manner.

You will be getting a survey through Genesis to inform the Transportation Department if your child will be taking the bus to/from school during 2020-2021. Please respond to the survey as the results will allow us to reorganize routes for efficiency.

If you have any questions or need any help with your child's transportation needs, I am available daily from 6:30-2:30.

Thanks in advance for your cooperation.
