

## BUSINESS ACADEMY

*The Monmouth Regional Business Academy is open to students of all academic backgrounds who wish to develop into curious and skilled young people who aspire to become successful members and leaders of the future business world. The Business Academy provides students with a variety of courses where students will explore financial and/or social business skills. Participants will complete a Business Capstone Experience within their desired area of business. Our programs strive to create students who are self-motivated, competent, life-long learners who will be comfortable as they embark on the fast-paced, ever changing business world. Possible dual-enrollment opportunities in certain courses (earn college credits). Opportunity to join the National Business Education Honor Society for qualified students.*

*Academy of Business Supervisor: Mrs. Mihalko*

### How to Enroll in the Business Academy:

*Inform your guidance counselor and/or business teacher of your interest in joining the Business Academy.*

*Review Academy course requirements with your guidance counselor or Business teacher(s).*

### How to Complete the Business Academy Program

*Maintain a C or better in a minimum of 5 Business Academy courses.*

*Complete the Business Academy Capstone Experience at some point in your high school career.*

### The Business Academy Capstone Experience

*The Business Academy Capstone Experience is titled as such, as the concept is to have an experience, not necessarily a project. The Business Academy Capstone Experience is broadly defined as participation in some event related to one's chosen area of business that requires time and effort beyond one's normal coursework. Possible Capstone Experiences are, but not limited to:*

- \* Regional/State/National Competition Participation*
- \* Conference/Workshop Attendance*
- \* Academic Summer Program*
- \* Job Shadowing/Internship*
- \* Business Academy students are encouraged to seek out their desired Capstone Experience, including new ideas.*
