**Pre-school Application**

Your child must be 3 years old by September 1st and toilet trained to enter preschool. Class starts at the end of September and continues until early June. Sessions are 2 hours long and we are held 4 days/week. The 5th day our students plan, as this is an educational experience for them. We give you a calendar and pertinent forms at the parent workshops, which is mandatory. If you cannot bring your child daily, because of other commitments, please let us know so we can replace your child with someone else. It is disruptive to the child, the teachers and the other children to have partial participation. Thank you for your interest in our program.
